

## Speaker Request Form

### Education about the Transportation Authority's Measure A Transportation Expenditure Plan

The San Mateo County Transportation Authority is available to educate you and your organization about Measure A.

The TA administers the Transportation Expenditure Plan and funds from the current Measure A half-cent transportation sales tax passed by voters in 1988, which expires in 2008. The TA, in conjunction with extensive public input, developed a new Transportation Expenditure Plan spanning the years 2009-2033 that was overwhelmingly approved by county voters in November 2004. The new Expenditure Plan was created in cooperation with residents, local cities, the county and other interested parties. Public involvement was vital in developing a balanced plan.

Upon request, our representatives will travel to your organization to discuss the progress and accomplishments of Transportation Authority projects.

The TA Speaker's Bureau is a free service. Please complete the form below and fax it to 650-508-7919.
